2010 Edition

September 10th –13th

A genuine collaboration for the pleasure of amateurs and professionals of decoration.

For the first edition, know-how and tendencies will be in date. "Atmosphere" offer you to discover an innovative concept which aspires of techniques of perfection, modernity and creativity. It is in the middle of a historical site (unique in France with more than one thousand years of history) that will be staged a **loft of 400 m²** and a **sensory garden**.

"Atmosphere" will benefit from the talent of the biggest editors and artists of fame. It is also an intriguing meeting between the main actors of our interior and outside comfort that work respecting craft traditions. "Atmosphere" offers a panel of manufactured furniture and artefacts which expresses artisans' know-how and exhibition of artistic creations.

The Objective is to seduce by this surprising place and by the creativity of Mara Morin.

After Rio and Rome, Paris... This exalting Brazilian, passionate with fabrics and materials, imposes her elegance to the capital. She decides to operate her magic in the southwest of France to give a new life to our interiors.

Years of experiences and professionalisms allowed, this audacious and amazing woman, to form and wingspan "Atmosphere". It is her sense of taste that encourages her to dress up the whole city and that encourages us to cast in a modern and intuitive world.

Osborne & little, Casavalentina, Pierre frey, Casamance

An artistic symphony in the entrails of history: La Réole, millennium city, welcomes you.

Mara Morin likes to share her creativity within one of the first town halls of France. This place, majestic and rich in history, was constructed in 977. There was between other one, Richard the lion's heart and Aliénore of Aquitaine which left their marks there. Just steps away from the dazzling city of Bordeaux these rich cultural treasures shall make you discover new skylines.
